What the complainant told the police

On 31/03/2026 the complainant came to Gondia railway station to travel from Balaghat to Raipur. He was going to Raipur with his friends, and because they were arriving on another train he waited for them.

He fell asleep on the bench opposite the main booking office at Gondia station, sleeping deeply after his journey. When he woke a few hours later, his Realme mobile phone (Jio SIM, worth ₹17,000), kept in his trouser pocket, was gone — and so was his black money purse, holding his Aadhaar card, PAN card, voter card, licence and ₹1,500 in cash. Property worth ₹18,500 in all.

He asked the people around him, but the phone and the purse were not found. Taking advantage of his sleep, some unknown thief had stolen them.

He came to the police station and gave a written complaint. On the orders of the officer in charge, Crime No. 38/2026 was registered under Section 303(2) of the Bharatiya Nyaya Sanhita, and the investigation was handed to PSI Meshram.
