From Benin City to the world

From Benin City to the world (map)

Map: Hermann Berghaus, Chart of the World on Mercator's Projection, Gotha: Justus Perthes, 1897 · Detail

A world map printed in the year of the raid. Objects taken from Benin City were auctioned in London and passed to collections across Europe and North America. More than a century later, most of them are still outside Nigeria.

Map: public domain, via Wikimedia Commons (from Barry Lawrence Ruderman Antique Maps).
